for sale by owner!
It can be done... but it's not easy!
Yes, you can sell your own property . . . with some luck and lots of hard work. But let's consider the complexities of doing it yourself. Will you advertise it properly? Are you prepared to be interrupted at inconvenient times by curiosity seekers? Will you be able to obtain financing for the buyer? Do you have the time required to perform such a task? Chances are you'll end up spending considerable time and money without making a sale. As Real Estate Professionals, we are fully qualified to spare you the problems by offering sound counsel and executing the best sale for your property.
